**Linked In**: https://www.linkedin.com/in/laiba-gillani-a72125269/

Innovative and results-driven UI/UX Designer with a strong foundation in user interface design, platform design, and user experience research. Proficient in creating wireframes, prototypes, and engaging user interfaces using tools such as Figma and Adobe XD. Strong technical skills in web development technologies including HTML, CSS, Bootstrap, PHP, and WordPress. Adept at working collaboratively in team settings, with excellent communication and presentation skills.

## EDUCATION

**2020 – 2024  Bachelor's in computer science, NTU, Faisalabad**
• Relevant Courses: Digital Logic Design, OOP, Data Structures, Design and Analysis Algorithms, Web application development and Artificial Intelligence.

**2018-2020 FSC (Punjab group of colleges)**
• Relevant Courses: Mathematics, Physics, and Chemistry.

**2008 – 2018 Matric (City cadet school)**
• Relevant Courses: Mathematics, Physics, Chemistry, and Computer Science.

## WORK AND RELEVANT EXPERIENCE

**08/2024          Working as UI/UX Trainer in OBH Institute**
During my tenure as a UI/UX Trainer at OBH Institute, I have been responsible for:

- Delivering comprehensive training sessions on UI/UX design principles and best practices to students.
- Guiding students through the process of creating intuitive and visually appealing user interfaces, with a focus on enhancing user experience.
- Instructing students on using industry-standard tools such as Figma to design prototypes and interactive mockups.
- Mentoring students on real-world projects, providing feedback, and helping them develop their skills in UI/UX design.
-

**Fyp Project /  UI for Face Recognition Attendance System integrating with mobile application 2023-2024**
Some of the duties that were performed by me are as follows:

- Conducted remote UI/UX design work for my final year project(FYP) , collaborating with development team members of my group to create user-friendly interfaces.
- Designed the user interface for face recognition attendance system.
- Responsibilities included creating wireframes, prototypes, user flows, and conducting UX research.

**11/2022 – Still     Freelance Projects**

Some of the duties that were performed by me are as follows:

- Managed and executed remote app design projects, providing end-to-end design solutions for clients.
- Designed intuitive and aesthetically pleasing user interfaces for various applications, ensuring a seamless user experience.
- Utilized tools such as Figma to create prototypes and interactive mockups.

**07/2023 - 08/2023     FleactTech Remote Internship**

Some of the duties that were performed by me are as follows:

- Conducted remote UI/UX design work for a software house, collaborating with development teams to create user-friendly interfaces.
- Worked on several client projects, delivering high-quality design solutions within tight deadlines.
- Responsibilities included creating wireframes, prototypes, user flows, and conducting UX research.

**03/2021 - 06/2021     Certification Program @ National Freelance Training Program (NFTP)**

Some of the duties that were performed by me are as follows:

- User Interface Design , Platform Design, Critical Thinking, Ux Research and personas, User Experience Design ,User flows ,Typography and Color Theory, Wireframing, Prototyping,Teamwork and Communication skills, Presentations , Figma , Adobe xd

- PHP, WordPress, HTML, CSS, Bootstrap

**06/2022 - 08/2022     Certification Program @Ns Training Program**

Some of the duties that were performed by me are as follows:

- Completed an advanced course focused on UI/UX design principles, methodologies, and best practices.
- Enhanced skills in user-centric design, wireframing, prototyping, and usability testing.

## EXTRACURRICULAR  ACTIVITIES

10/2022 – 06/2023   General Secretary, Wings Society, NTU
10/2022 – 06/2023   Girls Head, Computer Science Society, NTU
10/2022 – 06/2023   Head, Sports Society, NTU
10/2023 – 06/2024   Vice President, NCS Society, NTU

*Responsible for managing events.*

- Working with a team of more than 10 students.
- Helped managing three events

## OTHER SKILLS AND EXPERIENCES

Languages:

| ● English (Intermediate) | ● Urdu (Native) | ● Punjabi (Native) |
|---|---|---|

Industry Knowledge:
- ----User Interface Design
- ----User Experience Design
- ----Web Development
- ----Machine Learning
- ----Artificial Intelligence
- ----Digital Image Processing
- ----Social Media Handling
- ----Video Editing

Tools& Technologies:
- – Adobe xd
- -- Figma
- -- HTML
- --C Language
- -- CSS
- --C++ Language
- --Bootstrap
- – C#
- – JavaScript
- --Python
- --PHP
- --Flutter
